THE BIG PROBLEM
He's a flumble or a Yeop, he s a Dage or
a Greek,
And the language of our rounity is a to the language of the form of the degree in visiting the land of freedom for the deem is in his breast.

And he's groung rather binefly for the things he knows are heat.

He's a power for good or evil, he will have no or revers.

And become a friend or trainer from the way we treat him here.

He has heard about our country in a vagin and hary way.

It's the land where men are happy and where little children play.

But he's extraops to all the customs that surround him sow he sheet.

And he misses much that's spiness, but he understands a sneet.

He would like to do as we do, but he dream't mits know how.

And he'll never grow to like us, if we all neglect him now.

There's a mights force within him if we only understood.
We can symm it he not danger, or can modd it to our cond.
We can have of him a friend.
Who will come to speak our language and the flag we like defend for it a not enough to pay him for the lands of him all our customs till he learns to love our land.

He's a Honkie or a Wop, he's a Dage He's a Hunkle or a Wop, he's a Dago
o'r a Green,
Dut he's very busy thinking, hough his
theoretics he ranged agent
for the future he'd he momenting—that
is true of every man—
and the blance may be upon us if he's
not American
So let a make of him a Yankee and let's
treat him as a friend,
And let's teach him love of freedom—it
will pay so in the end Will pay as in the end (Cpoyright, 1919, by Edgar A. Quest.)

WIRE BRIEFS

WASHINGTON: April 16 - Dis-tinct is provenients in the general

PARIS April 16 (Hayas) The council of four decided today that the Schienwig-Holestein question the schleewig-Holeston question de would be settled in accordance with the conclusions of the territorial commission which recommended that the matter should be adjusted by a referendum, arrangements to be made to insure the impartiality of the conditions under which it is full.
